AUTHORIZATION

I, _____, hereby authorize ACE PHYSICAL THERAPY LLC to apply for benefits on my behalf for covered services rendered by the staff of ACE PHYSICAL THERAPY LLC.

I REQUEST THAT PAYMENT FOR THESE SERVICES BE PAID BY

Insurance Company #1 *S.S. # of Insured / ID* *Group*

and / or _____
Insurance Company #2 *S.S. # of Insured / ID* *Group*

DIRECTLY TO ACE PHYSICAL THERAPY, LLC. THIS IS A DIRECT ASSIGNMENT OF MY RIGHTS AND BENEFITS UNER THE ABOVE-MENTIONED POLICY / POLICIES.

I certify that the information I have provided above is correct. I further authorize ACE PHYSICAL THERAPY LLC, to release any necessary information, including medical information, for this or any related claim to the insurance companies named above, or in the case of Medicare Part B benefits, to the Social Security Administration and Health Care Financing Administration. I PERMIT A COPY OF THIS AUTHORIZATION TO BE USED IN PLACE OF THE ORIGINAL. This authorization may be revoked by me at any time in writing. I understand that I am responsible for the full settlement of my account regardless of insurance payments or reimbursements.

WITNESS _____

SIGNATURE OF PATIENT, SUBSCRIBER, GUARDIAN OR BENEFICIARY

DATE _____

FINANCIAL POLICIES

For the benefit of our patients, our billing policies are described below.

Payment of the charges for our services is the ultimate responsibility of the patient. Payment is expected at the time services are rendered, except when alternative arrangements are made in advance with us.

PLEASE BE AWARE THAT INSURANCE COMPANIES OFTEN DO NOT FULLY COVER A PHYSICAL THERAPY BILL. THIS MAY RESULT FROM DEDUCTIBLE OR CO-PAYMENT PROVISIONS IN THE PATIENT'S POLICY, OR BECAUSE THE INSURANCE COMPANY HAS ADOPTED A FEE SCHEDULE, OR FOR OTHER REASONS. HOWEVER, AN INSURANCE COMPANY'S FAILURE TO FULLY COVER OUR BILL DOES NOT RELIEVE THE PATIENT OF THE OBLIGATION TO PAY OUR BILL IN FULL.

If you are unable to keep your scheduled appointments, we request that you call and cancel your appointment 24hrs before your scheduled appointment time and obtain a cancellation#. If you fail to cancel your appointment before your appointment time and do not have the cancellation#, you agree to pay \$35.00 missed appointment fee. **This fee is not covered by your insurance company.** _____/ **Initials**

PLEASE NOTE: During the course of treatment, some patients may require electrical stimulation. As a part of treatment, the use of electrodes may be necessary. These electrodes have contact with the patient's skin and for the patient's safety, patients will be required to purchase his/her own electrodes. The cost to the patient for these electrodes is a ONE-TIME charge of **\$16.00-\$32.00** (A4556 CPT CODE). Should the therapist deem this treatment necessary, **this fee is not covered by your insurance company.** _____/ **Initials**

If our bill is not paid in full when due, we encourage you to discuss with our billing staff alternative payment arrangements that may be acceptable to us. Generally, however, any bill not paid within 90 days will be referred for collection. FOLLOWING 90 DAYS DELINQUENCY, MONTHLY INTEREST CHARGE OF 1.4% WILL ACCRUE ON THE BALANCE AND ALL COLLECTION CHARGES INCLUDING ATTORNEY'S FEES OF 20% ON THE UNPAID BALANCE AND COURT COSTS WILL BE ADDED TO THE PATIENT'S ACCOUNT. Please indicate that you have read and understood the foregoing billing policies by signing below.

Consent Agreement

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) requires that we inform you of our policy regarding the protection of your health information through our Privacy Notice. Please refer to our Privacy Notice, which is available to you along with this consent agreement, for a full explanation of how this office will protect your health information. You may print or view a copy of the notice through our website at: www.ace-pt.org, by clicking on the **Notice of Privacy Practices** link.

Thank you for your continued confidence in our practice and for supporting our new requirements.

The following is a statement that allows us the necessary latitude to work within the new requirements.

I, _____, have been presented with a Privacy Notice explaining my rights regarding my protected health information. I consent to the use and/or disclosure of my protected health information for the purposes of treatment, payment or other health care operations (TPO). If I require the services of an in-house and/or outside language interpreter*, my protected health information may be disclosed in order to provide effective and efficient medical treatment.

STAY INDEPENDENT QUESTIONNAIRE

Check Your Risk for Falling

Q no	Circle “Yes” or “No” for each statement below		Why it matters
1)	Yes (2)	No (0)	I have fallen in the past year People who have fallen once are likely to fall again.
2)	Yes (2)	No (0)	I use or have been advised to use a cane or walker to get around safely. People who have been advised to use a cane or walker may already be more likely to fall.
3)	Yes (1)	No (0)	Sometimes I feel unsteady when I am walking. Unsteadiness or needing support while walking are signs of poor balance.
4)	Yes (1)	No (0)	I steady myself by holding onto furniture when walking at home. This is also a sign of poor balance.
5)	Yes (1)	No (0)	I am worried about falling. People who are worried about falling are more likely to fall.
6)	Yes (1)	No (0)	I need to push my hands from a chair to stand up This is a sign of weak leg muscles, a major reason for falling.
7)	Yes (1)	No (0)	I have some trouble stepping up onto a curb. This is also a sign of weak leg muscles.
8)	Yes (1)	No (0)	I often have to rush to the toilet. Rushing to the bathroom, especially at night, increases your chance of falling.
9)	Yes (1)	No (0)	I have lost some feeling in my feet. Numbness in your feet can cause stumbles and lead to falls.
10)	Yes (1)	No (0)	I take medicine that sometimes makes me feel light-headed or more tired than usual. Side effects from medicines can sometimes increase your chance of falling.
11)	Yes (1)	No (0)	I take medicine to help me sleep or improve my mood. These medicines can sometimes increase your chance of falling.
12)	Yes (1)	No (0)	I often feel sad or depressed. Symptoms of depression, such as not feeling well or feeling slowed down, are linked to falls.
<p style="text-align: center;">Add up the number of points for each “yes” answer. Total: ____/14 If you scored 4 points or more, you may be at risk for falling. Discuss this brochure with your doctor.</p>			

This checklist was developed by the Greater Los Angeles VA Geriatric Research Education Clinical Center and affiliates and is a validated fall risk self-assessment tool (Rubenstein et al. J Safety Res; 2011: 42(6)493-499). Adapted with permission of the authors.
